## President's Note

Hello to everyone,

I just can't wait to get on the road again. We have a Freedom Rally Ride that is in Albany, NY. It has to do with 416-A Bill – Exhaust System. This rally will be our show of force. Also, they have now sent to the state level, so we will be right there in Albany to take care of business. I'll take a day off so I can ride tomorrow. Call me for more information (718) 913-5908 – Let's make a good showing!!

*Ride Safe & always be Union!
